ACKNOWLEDGEMENT

I would like to express my gratitude and hearty thanks to Prof. Dr. / Mohammed Abdel Aziz Eid, the expert in the Institute of National Planning, for his guidance and encouragement.

Deep thanks are also extended to the member of the discussion committee, Prof. Dr. / Zeinat Mohammed Tabbala the head of Human Development Studies Centre and the coordinator of the Human Development Axes, for her sincere effort and guidance. Deep thanks are also extended to all professors and doctors in the Institute for their continuous help, good treatment and sincere efforts.

Deep thanks are also extended to all employees and workers in this reverend institute. I'd like to mention and stress the great role that the Institute plays to achieve development and prosperity for our country.

Contents

Chapter 1 : Introduction
